Teardrop Trailer Apprentice Craftsman

Escapod Trailers is one of the fastest-growing off-road camper manufacturers in the country. Based in Coalville, UT, we are looking for a full-time apprentice craftsman to join our team.

Do you love working with your hands & enjoy seeing your progress after a good day's work? Are you passionate about building & design and want to put that interest to use professionally? Are you looking to join a young, exciting company to build your career?

If so, read on to apply!

Duties include:

- Grinding, drilling, and cutting steel (operating wet band saw)
- Moving material, unloading raw material upon delivery
- Using mechanic related tools (impact drivers, ratchets, wrenches)
- Sanding, polying, & assembling materials
- Moving materials to and from fabrication shop, woodshop, and assembly shop
- Working with aluminum (drilling and countersinking)
- Operating power tools (table saw, router, hand drills)
- Detailed cutting and installation of finish trim
- Install and test mechanical systems (electric, gas, water)
- Detailed carpentry & finish work

Qualifications:

- Minimum of 1-year experience with related work
- Familiarity with power tools
- Strong work ethic & quality standards
- Motivated to learn and invest in a career with us
- Creative problem solver
- Keen attention to detail
- Works well with others

Escapod Trailers' is a close-knit community guided by its values of Excellence, Innovation, Simplicity, Adventure, and Integrity. We are seeking to employ those who share our values and want to join our community. Above all, we want those eager to help us grow, realizing our mission to "Build the best damn camper known to man.

Please send your resume and cover letter to Jake (jake [@escapod.us](mailto:jake@escapod.us)) to be considered.
