Teardrop Trailer Craftsperson

Escapod Trailers is one of the fastest-growing off-road camper manufacturers in the country. Based in Coalville, UT, we are looking for a full-time craftsperson to join our team.

Do you love working with your hands & enjoy seeing your progress after a good day's work? Are you passionate about building & design and want to put that interest to use professionally? Are you looking to join a young, exciting company to build your career?

If so, read on to apply!

Responsibilities:

- Install and test mechanical systems (electric, gas, water)
- Detailed carpentry & finish work
- Assemble and install hatches
- Detailed cutting and installation of finish trim
- Perform quality control checks
- Aid in developing manufacturing process and build procedures

Skills:

- Minimum of 2-years experience with related work
- Familiarity with electrical systems
- Motivated to learn and invest in a career with us
- Creative problem solver
- Keen attention to detail
- Organized
- Works well with others
- Ability to lift at least 50 lbs

Escapod Trailers is a close-knit community guided by its values of Excellence, Innovation, Simplicity, Adventure, and Integrity. We are seeking to employ those who share our values and want to join our community. Above all, we want those eager to help us grow, realizing our mission to “Build the best damn camper known to man.”

Please send your resume and cover letter to jobs@escapod.us to be considered.
