

Escapod Trailers, LLC    www.escapod.us  
627 S Main St            (435) 625-0586  
Coalville, UT  
84017

Escapod Trailers is one of the fastest-growing off-road camper manufacturers in the country. Based in Coalville, UT, we are looking for full-time **Apprentice Welders/Fabricators** to join our team.

You will work daily with a lead welder along with other team members to help build the Best Damn Camper Known to Man. Using your skills as an **Apprentice Welder**, you will be producing frames for trailers, installing suspension trailing arms and welding fenders and storage decks for Escapod Trailers.

**Responsibilities:**

- Grinding, drilling, sanding, and cutting steel/aluminum
- operating wet band saw
- Moving material, unloading raw material upon delivery
- Operating an oxy-acetylene torch
- Using mechanic related tools (impact drivers, ratchets, wrenches)
- MIG welding
- Installing suspensions to raw galvanized frames

**Qualifications:**

- Minimum of 1-year experience with related work or education
- Familiarity with power tools
- Ability to accurately use a tape measure
- Motivated to learn and invest in a career with us
- Creative problem solver
- Attention to detail
- Organized
- Works well with others
- Ability to lift at least 50 lbs

Escapod Trailers' is a close-knit community guided by its values of Excellence, Innovation, Simplicity, Adventure, and Integrity. We are seeking to employ those who share our values and want to join our community. Above all, we want those eager to help us grow, realizing our mission to "Build the Best Damn Camper Known to Man".

Please send your resume and cover letter to [jobs@escapod.us](mailto:jobs@escapod.us) to be considered.
