Escapod Trailers is one of the fastest-growing off-road camper manufacturers in the country. Based in Coalville, UT, we are looking for full or part-time **Kitters and Order Fillers** to join our team.

This is an entry level position and we will train. Kitters work closely with the Inventory Control Manager and Shop Manager to ensure the production of trailers in an efficient manner and keep an accurate record of inventory. You will pull parts and make kits in accordance with types and quantities required for specific assemblies while maintaining records to reflect part accurate inventory records.

### **Responsibilities:**

- Perform the physical tasks of packing, storing, and distributing materials, parts, and supplies to the production line
- Use inventory software to update and maintain inventory locations and quantities
- Stay mentally sharp throughout your shift - accurately pick and pack orders as required
- Notify managers of any shortages or discrepancies
- Be well organized able to document processes down to the smallest detail
- Warehouse upkeep and cleanliness

### **Qualifications:**

- High Attention to detail
- Able to follow clear, outlined procedures
- Efficient and consistent

Escapod Trailers' is a close-knit community guided by its values of Excellence, Innovation, Simplicity, Adventure, and Integrity. We are seeking to employ those who share our values and want to join our community. Above all, we want those eager to help us grow, realizing our mission to "Build the best damn camper known to man."
