Coalville, UT
84017

Escapod Trailers is one of the fastest-growing off-road camper manufacturers in the country. Based in Coalville, UT, we are looking for a full-time **Production Line Supervisor** to join our team.

Responsibilities:

- Uphold a high standard of quality and professionalism
- Perform QA checks on completed trailers
- Assist operations team with material movement
- Perform manager checks throughout the production line
- Maintain a clean and organized shop
- Maintain shop equipment (saws, hand tools, jigs, forklift, etc.)
- Lead shop standup meetings (speaking to an audience of 20+)
- Coordinate with other company work centers
- Learn and expand knowledge of entire build process
- Backfill to cover absent employees
- Assist management with initiatives
- Assist with interviewing and hiring of shop employees
- Perform reviews of direct reports
- Lead a team to meet daily expectations
- Uphold 5s practices
- Use software to track production schedules and perform quality checks

Qualifications:

- Excellent communication and leadership skills
- Keen attention to detail
- Minimum of 2-years experience in related work
- Ability to lift 50-75 lbs.
- Critical thinking and problem solving
- Great organizational and planning skills
- Excellent interpersonal relationship skills
- Able to work under pressure to meet deadlines and tackle issues
- Maintain a professional, cool, and calm demeanor
- Uphold shop culture and company policies
- Proficient in Google Office programs

Escapod Trailers is a close-knit community guided by its values of Excellence, Innovation, Simplicity, Adventure, and Integrity. We are seeking to employ those who share our values and want to join our community. Above all, we want those eager to help us grow, realizing our mission to “Build the best damn camper known to man.”

Please send your resume and cover letter to jobs@escapod.us to be considered.
