

Escapod Trailers is one of the fastest-growing off-road camper manufacturers in the country. Based in Coalville, UT, we are looking for a part-time **Rental Fleet Detailer** to join our team.

This position will work directly with the Rental Fleet Assistant and Supervisor to ensure the rental fleet is cleaned and ready for customer rentals as well as ensure completed trailers are cleaned and presentable to new customers. Primary responsibilities include but are not limited to:

**Responsibilities:**

- Thoroughly cleaning and disinfecting all parts of the trailer including the sleeping quarters, door handles, galley, power washing the exterior, etc.
- Taking individual trailer inventory before/after every rental to ensure what was checked out was returned (outside of general consumable products)
- Repacking the galley for maximum efficiency and restocking consumable products (as needed) as well as remaking the sleeping area between rental reservations
- Inspecting the rental to note damaged areas or items which may need repair from the shop team or product re-ordering. Communicate those damages and/or repairs to the Rental Fleet Supervisor.
- Cleaning/sanitizing all provided cookware/utensils and bedding after each rental return and store properly in the flip room.
- Regular communication with the Rental Fleet Supervisor and assistant to see what needs attention
- Other rental-related duties or light office work as needed. While this is not a direct customer-facing role, you may be asked to assist with the rental release walk-around and interact with rental customers.

**Qualifications:**

- Motivated to learn
- Able to manage multiple tasks/workflows to structure your workday
- Highly organized
- Astute attention to detail
- Articulate & enthusiastic communicator
- Excellent people skills
- Team player
